The National Renaissance Party (NRP) was founded in 1949, by James H. Madole, National Director. The NRP is headquartered in Madole's residence, 10 West 90th Street, Apartment 8, New York (NY), NY. This organization has been described as anti-Negro, anti-Semitic and neo-Fascist.

This same source advised on October 3, 1975, that the NRP had secured a permit from the New York City Police Department (NYCPD) to conduct a street rally on October 4, 1975, at Steven Street and Myrtle Avenue, Queens, NY, from 12:30 PM to 3:00 PM that date.

On October 8, 1975, source revealed that the above street rally and leaflet distribution took place as scheduled with James Madole presiding.

Source went on to say that eleven NRP members arrived at the above site at 12:30 PM and immediately set up the American flag, as well as the sound equipment. While this was going on, other NRP members were distributing literature.

James Madole commenced speaking at 1:00 PM and for the next hour and forty-five minutes, delivered his usual speech, which was anti-Jewish and anti-Negro.

The rally concluded at 2:55 PM and all NRP members returned to Madole's residence, 10 West 90th Street, NY, NY.

There were no incidents and no arrests.

A characterization of the NRP appears in the Appendix section attached hereto.

A source who has furnished reliable information in the past, advised on October 22, 1975 that the New York City Police Department (NYCPD) issued a permit to the NRP to conduct a street rally on Saturday, October 25, 1975, from 12:30PM to 3:00PM at Myrtle Avenue and Fresh Pond Road, Queens, New York.

A second source, who has furnished reliable information in the past, advised on October 30, 1975, that the above rally took place as scheduled, however, attendance was limited due to a very heavy rainstorm on that date. Because of this rain, speeches were eliminated and only leaflet distribution took place. This distribution was under the directorship of NRP National Director, James Madole. The source stated that there were very few hecklers and for the most part the NRP was favorably received by those in attendance. Activity ended shortly before 3:00PM.

There were no incidence and no arrests.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

A characterization of the NRP appears in the appendix attached hereto.

A source, who has furnished reliable information in the past, advised on November 7, 1975, that the New York City Police Department (NYCPD) issued a permit to the NRP to conduct a street rally on Saturday, November 8, 1975, from 1:00 PM to 3:00 PM at Myrtle Avenue and Fresh Pond Road, Queens, NY.

On December 1, 1975, this same source revealed that the above rally took place from 12:15 PM to 2:45 PM on the date and place indicated. Source said six NRP members were present including James Madole, National Director.

Source revealed Madole was the main speaker who condemned the United States (US) "No Win Policy" in Korea and Vietnam. He stated this policy ultimately led to a communist takeover in Southeast Asia. He continued by stating that during these conflicts abroad, Jewish businessmen in the US were robbing American citizens of their money at home. During this same period, according to Madole, the Negroes were reaping the benefits of the welfare state.

Source stated about forty people listened to the above speech.

There were no incidents and no arrests.

Dear Sir:

Enclosed you will find a flyer that was handed to me as well as others on the corner of Queens Blvd. and Woodhaven Blvd. by some men who stopped for a red light. As you can well see after reading this, this is shades of the NAZI Party again. Surely something can be done by one of the many law enforcement agencies to put a stop to this kind of thing. Instead of the CIA, FBI etc. harassing innocent people why not go after these people instead.

I trust that you can do something to alleviate this sort of thing.

Character: EXTREMIST MATTERS

Synopsis: The National Renaissance Party (NRP) maintains its headquarters in Apartment 8, 10 West 90th Street, NYC, which is the residence of JAMES MADOLE, NRP National Director. [Redacted] and ANDREJ LISANIK is the Security Echelon Commander. NRP activities and sample literature for 1975-76 set forth.

-P-

PREDICATION

This full investigation is based on information giving reason to believe that the NRP is or may be involved in activities which involve or will involve use of force or violence and which involves or will involve the violation of federal law for the purpose of overthrowing the Government of the United States. NY T-1, who has furnished reliable information in the past, reported that JAMES MADOLE, National Director of the NRP believes the United States should be governed by dictatorship in order to preserve it. He said the direction the United States was going would allow the Communists to take over the Government in ten years. MADOLE said he wanted to have the

RELIABLE INFORMATION IN THE PAST  
EXCEPT WHERE OTHERWISE NOTED.

NY 105-6112

NRP ready so that when the time is right they, the NRP, can make an effective takeover at which time set up a new governing body. He said the NRP did not consider using the present system of the United States Government to accomplish any short term goals because he did not believe in the present form of government and he wasn't going to conform to it.

MADOLE continued by saying that he is concerned with the Jewish and Black population who are responsible for and are at the root of the major problems in the United States. He said the solution to the problems is the "removal of the root".

A characterization of the NRP appears in the Appendix section attached hereto.

#### DETAILS

##### At New York, New York

#### I. ORGANIZATIONAL STRUCTURE

##### A. Headquarters

NY T-1 advised July 22, 1976, that the NRP maintains its national headquarters in the home of its National Director, JAMES MADOLE, Apartment 8, 10 West 90th Street, New York City (telephone 877-7048).

##### B. Officers

NY T-1 advised July 22, 1976, that JAMES MADOLE of New York City is the National Director of the NRP.

The January-February, 1976, edition of the NRP Bulletin, official publication of the NRP, lists ANDREJ LISANIK as Security Echelon Commander and [REDACTED]  
[REDACTED]

b6  
b7C

NY 105-6112

The Security Echelon Commander of the NRP is described in NRP literature as the leader of the military fighting arm of that organization.

#### C. Objectives

The above dated NRP bulletin sets forth the following aims of the NRP:

"A political party devoted to the restoration of the American republic, preservation of American sovereignty and the establishment of an American regime based on the principles of racial nationalism and social justice".

#### D. Membership

NY T-1 advised July 22, 1976, that approximately eight to ten members of the NRP attend the weekly meetings of that organization.

### II. ACTIVITIES

#### A. General Meetings

The NRP, according to NY T-1, on July 22, 1976, holds weekly organizational meetings at the home of its National Director, JAMES MADOLE, 10 West 90th Street, New York City. According to NY T-1, it is at these organizational meetings that plans for public rallies and leaflet distribution are made.

#### B. Public Rallies and Leaflet Distribution

NY T-1 on July 22, 1976, advised that since January 1, 1976, the NRP has been unable to hold outdoor public meetings and rallies because their sound truck, which is also their prime means of transportation, has been inoperable due to a broken transmission. NY T-1 stated that the NRP

NY 105-6112

did not have sufficient funds to repair the truck and as a result the NRP public functions have been confined to leaflet distribution at various locations in Brooklyn and Queens. He stated that on these occasions, the sound truck was not necessary and that members could get to these locations via public transportation.

NY T-2, on September 10, 1975, advised that JAMES MADOLE, NRP National Director, and some of his followers visited Boston, Massachusetts over the Labor Day weekend, August 30 - September 1, 1975 and distributed leaflets.

[redacted] NRP Representative in the Washington DC - Northern Virginia area, planned to attend an NRP sponsored rally in Boston, Massachusetts, September 27, 1975, according to NY T-2.

b6  
b7c

NY T-3, on September 9, 1975, furnished substantially the same information as did NY T-2.

On September 22, 1975, NY T-3 stated that the proposed NRP trip to Boston for September 27, 1975, was cancelled because city officials of Boston would not allow MADOLE to speak in South Boston at that time because of the tense racial situation resulting from the implementation of desegregation in the public school system.

NY T-3 advised on various dates in October and November, 1975, that the NRP sponsored outdoor street rallies on the following dates:

Saturday, October 3, 1975, Steven Street  
and Myrtle Avenue, Queens

Saturday, October 25, 1975, Myrtle Avenue  
and Fresh Pond Road, Queens

Saturday, November 8, 1975, Myrtle Avenue  
and Fresh Pond Road, Queens

NY 105-6112

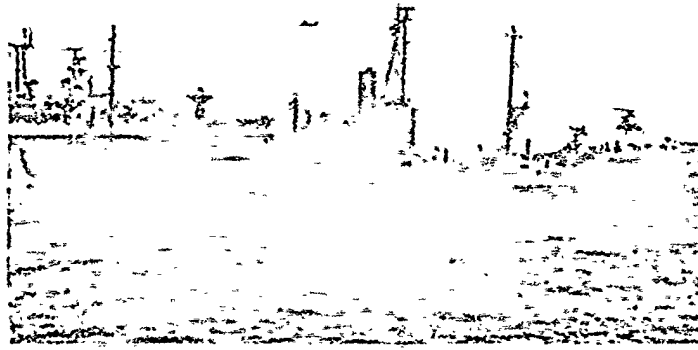

NY T-3 stated that at each of these rallies JAMES MADOLE was the main speaker and NRP leaflets were distributed.

NY T-3 revealed on each of these occasions there were no incidents or any arrests.

C. Literature

NY T-1 on July 22, 1976, made available the following samples of NRP literature that is sent by mail to all members and which is given away on the occasion of NRP rallies and leaflet distributions.

It was a peaceful afternoon. June, 1967. The sky was cloudless. The sea calm. Then it happened. Suddenly Israeli jets screamed from the skies like maddened vultures. For 35 terror filled minutes they tore and slashed at the defenseless United States Navy ship "Liberty". The planes, attacking in teams of two or more, swept the burning and helpless ship with rocket and machine-gun fire. They scored 821 hits. As soon as the planes had finished spitting their pellets of death the PT boats appeared. Torpedoes ripped a 39 foot hole in the dying ship. In their bloody wake the Israeli butchers left 34 American officers and crewmen dead and 75 others wounded. Most Americans have forgotten. Or never knew. But these are facts. It happened. Later inquiry proved the Israeli planes knew from the start the Liberty was American and unarmed. There was no excuse. It was wanton and it was murder.

**AND THESE PEOPLE ARE SUPPOSED TO BE OUR ALLIES !**

Each year the United States gives BILLIONS of dollars to a nation where no one not being born to a Jewish mother can be a citizen or own property.  
**DEMOCRACY, ISRAELI STYLE !**

Today, millions of Americans, black, white, brown and yellow know hunger and despair. They know it every morning and they know it every night. Close, where it hurts. Many are the very old and the very young. The old eat dog food the young nothing at all. But so what. Forget it. With incredible indifference our government turns its back on its conscience and flushes BILLIONS down a rat-hole like Israel while our own suffer and starve. Not only is food taken away but hope. Hope for today. Hope for tomorrow. And hope for those to follow. Have we completely lost our minds ?

The United States is undermining its military and economic foundation for Israel! A nation that has already slaughtered her sons. Sons that were aboard the USS Liberty. Further involvement with Israel means further betrayal and treachery.

**IT IS SUICIDE . . . . .**

# WHITE MAN

## Lost in This Foreign Land?

*Civilian Without a Country*

TYPICAL AVERAGE AMERICAN

The mighty civilization that took root on the North American continent was created by White European settlers whose typically adventurous and heroic Aryan spirit tamed a virgin wilderness and subdued hostile and primitive tribes of men so that their puny descendants of the "LIBERAL DEMOCRATIC ESTABLISHMENT" might deride their ancestors as "slave-masters", "Fascist pigs", "exploiters of the working-class and underprivileged minority groups" etc. These modern Jewish "opinion-makers" have distorted our sense of history to the point where the European people fear to uphold and defend their property rights, schools, and city streets against hordes of Negroes and

Puerto Ricans unleashed on white taxpayers by vote-seeking political parasites and Jewish bureaucrats in the Federal, State, and Municipal governments. Within another 10 years at most every major urban center in America will be "BROWN, BLACK, AND BROKE". Our young children are forcibly bused into crime-ridden schools in Negro-infested slums to achieve "racial balance" according to our Jewish administrators BUT THE AMERICAN EDUCATIONAL CURRICULA IS LOWERED TO THE POINT WHERE PUBLIC SCHOOL STUDENTS CAN NEITHER READ, WRITE, SPELL, OR UTILIZE SIMPLE MATHEMATICS! PRIVATE INDUSTRY FINDS THESE STUDENTS, RUINED BY PREDOMINANTLY AFRO/JEWISH TEACHERS, USELESS FOR HOLDING DOWN RESPONSIBLE JOBS! Our idiotic government forces masses of illiterate Blacks into our best colleges by permitting them admission with a scholastic average of 45% and subsidizing their ignorance with productive White taxpayers' cash. White students must show an 85% average AND THEIR PARENTS FOOT THE BILL! Untold thousands of American cars have to be called in by their manufacturers each year because of defective work done by stone-age savages on their assembly lines WITH THE INEVITABLE RESULT THAT EUROPEAN-MADE AUTOS REPLACE OUR DEFECTIVE MODELS ON THE WORLD MARKET! WHITE COPS, FIREMEN, AND SANITATION WORKERS ARE LAID OFF BY THE THOUSANDS IN NEW YORK CITY BUT 40,000 JEWISH CIVIL SERVANTS KEEP THEIR JOBS LOOTING THE PUBLIC TREASURY AND LIVING IN PLUSH DUPLEXES ON THE UPPER EAST SIDE! RESTORE THE ESSENTIAL DOCTRINE OF "WHITE SUPREMACY", EXECUTE THOSE POLITICIANS CAUGHT STEALING PUBLIC MONEY, AND RESTORE AMERICAN NATIONAL & RACIAL PRIDE! WHITE MEN AWAKE! JOIN THE NRP TODAY!

## NRP HITS SOUTH BOSTON; LAUNCHES MAJOR OFFENSIVE IN QUEENS AND BROOKLYN !

NRP launches invasion of main business section of Ridgewood, Brooklyn. Saturday shoppers were overwhelmingly favorable to Mr. Madole's attack upon the "democratic" establishment, forced busing, and the lack of planning in the American laissez-faire economy which is largely responsible for our massive unemployment and high cost of living.

Leader James H. Madole addresses big crowd on Myrtle Avenue - main business thoroughfare in Ridgewood, Brooklyn.

## Smash Racism. Fight Unemployment

# Stop the Nazis

Last Saturday, around a dozen Nazis, members of the National Renaissance Party appeared at 71st St. and Myrtle to spread their racist and fascist garbage. These modern day Hitlers are attempting to rally working people to blame the problems of unemployment, bad housing, rotten schools, on black, Puerto Rican and Jewish people.

Meanwhile the Rockefellers, Fords, Careys Beames are dreaming of new ways to rob us (like the new wage freeze just announced by Beame) as their capitalist system declines. We have to get rid of the bosses that rob us and their Nazi friends. Some may wonder what harm can a hand full of Nazis do? The fascist movement started out small in Germany, Italy, and Spain; but at the end of WWII, millions of workers all around the world were killed as a result of fascism. Today, in Portugal and Spain, workers are fighting for their lives against fascism. Just recently, workers in Bensonhurst, Bay Ridge, Astoria and Yorkville kicked out these same Nazis that showed up in Ridgewood last Saturday.

As members and supporters of the Progressive Labor Party, we say these Nazis or any other racists must not be allowed to spread their filth. As communists we see the need to fight against racism and fascism. We see socialism as the only solution to unemployment, racism and the thousand other problems caused by capitalism. Socialism brings together all workers to produce and fight for things in their own interest. Fascism on the other hand leads to the oppression, division and death of the working class.

Workers in Ridgewood, Queens, Boston, San Francisco or any place must not allow racism or fascism move one step. Not only must we be prepared to stop the racists, but go further and get rid of the bosses who tolerate them and use them when it's convenient. This past summer communist and non-communist, black, latin and white workers joined together to stop the closing of the Bushwick fire station. This action also prevented the closing of 17 other fire stations around the city. This fightback saved jobs. This fightback saved lives. So now, to save our necks, we must unite to smash these racist, Nazi parasites!

Progressive Labor Party  
Buy CHALLENGE-DESAFIO

An illiterate leaflet passed out by the Maoist "Progressive Labor Party" in both Ridgewood and Glendale opposing the major NRP invasion of White working class neighborhoods. Their scheduled rally was rained out and the majority of their leaflets ended up in the gutter from whence this one was rescued. The NRP gave out 3000 leaflets in one afternoon (Aug. 2, 1975) in Bay Ridge, about 6000 in three months in Yorkville (May-July, 1975), and a steady flow in Astoria by our local members. The only physical clashes were in Yorkville. We have now extended our street rallies into Glendale and Ridgewood without being dislodged anywhere by either Reds or Zionists!

A large NRP street rally held at Fresh Pond Road and Myrtle Avenue on the border between Glendale and Ridgewood (November 8, 1975). Madole blasts corrupt Jewish bureaucracy as being responsible for bankrupting American cities and the breakdown of our educational system through forced racial integration. The crowd applauded Mr. Madole's call for "a final end to the Democratic nightmare" and the establishment of a dictatorship "of, by, and for (White) Aryan people on the North American continent." A delegation of Reds tried to start trouble but found the middle class audience totally hostile to them! After the rally local people were shaking hands with the NRP Leader.

Some of the people, including many youth, who were present at the Fresh Pond Road NRP rally. The Board Of Education were sending out notices to parents of students at Franklin K. Lane and Grover Cleveland High Schools blaming the NRP for constant racial strife at these "educational institutions". Dozens of their White students have been attending our rallies and taking recruiting leaflets for White students in these & other local schools. Some of the parents have joined the NRP which is how we learned of the attack by the Board Of Education. The NRP now finds the time is ripe to organize people on a neighborhood basis for the defense of their racial interests.

NRP Leader Madole speaks in the main shopping Center of Glendale, Brooklyn (November 22, 1975) in 40 degree temperature

On August 30, 1975 a Volkswagen bus filled with members of the NRP's uniformed Security Echelon (SE) raced up to South Boston and unloaded piles of NRP recruiting leaflets on West Broadway (the main shopping area of South Boston). They encountered nothing but praise from the local population but negotiations between the NRP and the office of Boston's Mayor Kevin White for a permit to hold a major NRP outdoor rally on West Broadway have temporarily fallen through. Mayor White, a political stooge of the whoremasters in the pro-integrationist Kennedy Clan, stated that all political rallies are verboten in South Boston (although thousands of pro-Marxist Jews, fuzzy-brained white liberals, and wild-eyed "niggers" have been allowed to parade through the streets of Boston without hindrance by the Ted Kennedy-Kevin White Cabal). Our negotiations for "freedom of speech and assembly" were conducted through Mr. Kellaher, Bureau of Permits, City Hall, Boston, Mass. but we were informed that Boston Common, a haven for drug addicts, whores, Black pimps, and Reds, was the only spot in Boston where NRP speakers might talk with the public! Once warmer weather returns we shall petition the Boston Civil Liberties Union to open South Boston to the NRP. That city will then be open to the truth despite our treacherous political hacks seeking to gain favor with subversive and uncivilized minority groups. The accursed Liberal Establishment is slowly dying and the NRP must stand ready to unite our precious Aryan people in order to fulfill the prophecies that the new Atlantis and the dawn of a new God-like race shall arise on North American soil!

The NRP ended 1975 with a massive political offensive aimed at the White working-class areas of Ridgewood and Glendale (on both sides of the Queens-Brooklyn border). This area has been hit before with minor literature distributions but our main efforts previously have been levelled at Yorkville in Manhattan, Bay Ridge in Brooklyn, and Astoria in Queens. In Astoria we have been opposed predominantly by the Maoist Progressive Labor Party whereas in Bay Ridge

we have come in contact with the U.S. Labor Party but no physical clashes have occurred in that area as yet. The interesting fact is that both Marxist groups (which despise each other) and the totalitarian NRP are meeting head on in strictly White neighborhoods where raunchy looking Jews and Blacks find little sympathy for their anarchist efforts. The first NRP street rally was held on Saturday afternoon (October 4, 1975) on Myrtle Avenue (the main shopping center of Ridgewood) without any organized resistance and a large, friendly crowd of White shoppers who even applauded at points in Mr. Madole's two hour speech. We estimate that at least 2000 recruiting leaflets reached people who stayed at or passed through the rally during the course of the afternoon! Response in the mail was higher than ever and our local organizers paid personal visits to new recruits in order to fit them into the party organism in accordance with their talents, abilities, and degree of commitment.

Our second offensive took place on October 25, 1975 when a second open air rally had to be cancelled because of rain and we conducted a large scale literature distribution at Fresh Pond Road and Myrtle Avenue - the dividing line between Ridgewood and Glendale. Some 1500 recruiting leaflets were circulated resulting in a continued heavy mail flow. Again no opposition though the Maoists were circulating the material shown on page 2 with most of it being destroyed by the local population. On November 8, 1975 the NRP returned to Fresh Pond Road and Myrtle Avenue and held their two hour rally under a railroad trestle where Glendale merges into Ridgewood. There were crowds on all 3 corners of this intersection, including some 8 Reds from the PLP who kept mumbling about how they would kill NRP Leader Madole when he descended from the platform but due to the hostility of the audience and an ever vigilant SE troop they never got into action! Mr. Madole hit at such issues as forced school busing sponsored by Irving Anker, the Jew boss of the Board of Education, the wholesale looting of Federal, State, and Municipal treasuries by unscrupulous politicians, the constant inflation-depression cycle brought on by the obscene greed of tyrannical labor czars like George Meany of the AFL-CIO Combine and profit-hungry tycoons, the inability of a weak democratic form of government to establish law and order so that our citizens need not hide behind locked doors and barred windows to escape death and maiming at the hands of sub-human, mindless primitives released upon us by the legal actions of Jewish pressure groups and vote-hungry politicians, and the decline on the world market of the value of American merchandise due to the forced hiring of teeming hordes of Negroid and half-caste labor for our assembly lines while Aryan workers are laid off to make way for this "colored wave of the future". Again Mr. Madole called for a totalitarian government and economy as the only alternative to the ultimate abdication of the USA from its role as a World Power. Except for the handful of Reds in the audience, who dared not even heckle openly, there was no opposition to Mr. Madole's open and forthright stand. Even 5 Negroes in the audience said openly that "the man is telling it like it is" and showed no signs of hostility when Mr. Madole stressed the fact that differences between the races made living together impossible as is amply demonstrated by the decline in race relations, morality and ethics, and the total annihilation of American educational standards dating from the 1954 Supreme Court decision! We noted at this meeting that many people who had written in were now physically attending our rallies and openly supporting us.

On November 22, 1975 the NRP moved into the main shopping area of Glendale at 65th Street and Myrtle Avenue at a cold temperature of 40 degrees but still, once the microphone and triple amplifiers opened up, the audience materialized on both sides of the street and stayed for two hours in biting wind and cold to hear NRP Leader James H. Madole, NRP Youth Leader Philippe Szabo, and SE man, Dan Napier expound the deadly problems faced by our Race and Nation and the solution to those problems which cannot be found within the fabric of a democratic society.

The Liberal Democratic Establishment which dominates modern American society is fundamentally Jewish in both its origin and thought. Our merchant princes think only in terms of markets and profits (there is no difference between Afghan tribesmen, Peruvian Indians, primitive Hottentots and Burundians from Black Africa and/or the most civilized European from Switzerland, Great Britain, France, Germany etc. so long as they are potential consumer markets for the merchandise ground out on the Yankee Assembly line). Hence our Captains of Industry and our Labor Czars a la George Meany support the "civil rights" of Bantu savages in South Africa in opposition to the "Apartheid" policy which furnishes the only protective device for Aryan survival in both Rhodesia and South Africa! Our treacherous, corrupt government supports Negro savages in the United Nations who openly threaten to invade these White African nations to butcher Aryan men, women, and children as they have already done in Kenya under the Mau-Mau, in the Congo under the Simbas, in Mozambique under the Marxist Frelimo Rebels, and in Angola under 3 separate gangs of black cut-throats! Why because our stinking politicians would sell their own mothers into a whore-house to accrue Black votes and campaign contributions, our tycoons of Wall Street would sell their souls (and everyone else's) in order to open up new consumer markets in the Third World countries of Africa and Asia, and our effete clergymen (swindlers panhandling the name of God) dream of filling their coffers with loot by "saving the souls of untold millions of Afro-Asian heathens" who will dutifully (in their ignorance and superstition) ship their untold wealth and resources to the clerical parasites in Rome and the National Council Of Churches Of Christ! But notice the sudden change in tune when the Third World nations banded together with the Arab States to condemn Jewish Zionism as "Racism"! The tirades of Patrick Moynihan (technically the Ambassador of the USA to the United Nations but, in effect, an unregistered agent of the Israeli government) combined with American threats of economic blackmail levelled against many South American and African nations which had the temerity to support a UN Resolution stating the rather obvious fact that Zionism and Racism are synonymous! Since no human being can become an Israeli citizen without proving that his or her mother was Jewish (this being a fundamental precept of Rabbinical Law as to the determination of who is or is not a Jew) it becomes rather academic that Israel is both a "racist" and a theocratic society. When the NRP becomes the official government of the USA and we implement our program of restricting the rights of citizenship to those of White Aryan ancestry do you suppose that all the "democratic" political con-men in Western Europe (for there will be none left alive within our boundaries) the shekel-worshipping Lords of Commerce and Industry who willfully strip their White brethren in South Africa and Rhodesia of any defense mechanism

against the blood-stained hordes awaiting their hour to rape, mutilate, and kill in order to gain consumer markets for their merchandise, the "sky pilot" clerics like Pope Paul VI, Oral Roberts, Billy Graham, Billy James Hargis, etc. of "pie in the sky after you die while I get mine here below" fame, will support our "racist" stand against both Jewish and Third World roars of indignation? Obviously these esteemed gentlemen and pious hypocrites from the worlds of "democratic" politics, High Finance, and organized religion have no faith in the old adage: "what is good for the goose is good for the gander"! It all depends on your economic status. A Jew will fare better than a "nigger", a "nigger" will fare better than an Aryan in the sacrosanct Halls of Government and Justice watched over by the Eternal Jew.

The organized power of the Jew, through their shyster lawyers and "Civil Rights" bureaus, have successfully "emancipated" the 25 million American Negroes by pouring them into filthy slum buildings owned by Jewish landlords in areas of our largest cities termed "ghettos" by Jew social planners (remembering their old home dens in Eastern Europe during the Middle Ages). America's once beautiful urban centers have been converted into "asphalt jungles", our public schools resemble prisons with uniformed guards forced to watch over every nook and cranny for drug pushers, rapists, pimps, and "nigger" gangs out to "cut up a honky (White)", extort money for lunch at knifepoint, or conduct a gang rape of a pretty White girl or even a teacher, and American moral and ethical conduct is determined by veritable armies of vile Jewish pornographers who pose as "authors", Broadway play producers serving up bestiality, homosexuality, lesbianism, and themes which might well have emanated from mental hospitals, kinky psychiatrists who inevitably seek to provide their female patients with "sexual therapy" in the kike's bed ad nauseam! Now, however, Negroes and Puerto Ricans (having been taught the fundamentals of political blackmail through "bloc voting" by their Jewish mentors) are seeking to force city government to hire more Black and "Hispanic" school principals and teachers which automatically finishes Jewish dominion in the field of education. The American Federation Of Teachers (run by the Jew, Al Shanker) is 85 % Jewish in New York City while the Union of High School Principals is 75% Jewish. The head of the Board Of Education in New York City is that great advocate of school busing, the Jew Irving Anker! More important, Jewish merchants and landlords are being carved up by the Black and "Hispanic" muggers and drug addicts whom Jewish cash "emancipated" and Jewish judges constantly release on the streets. In the 1976 edition of the "American Jewish Yearbook" it is reported that over 383,000 Jews fled New York City between 1962 and 1970-71 and that currently some 608,000 Jews have fled the 5 counties of New York City leaving a population of some 1,998,000 Jews. We may remember how effectively Dr. Frankenstein was destroyed by the very monster he created. Present events remind us of a speech by Georg Schonerer (1842-1921) the anti-Semitic Austrian statesman:

"Our anti-Semitism is not directed against the Jew's religion. It is directed against their racial characteristics, which have changed neither under former pressure nor under the present freedom. On the contrary, the Jews, since their emancipation, have shown themselves more arrogant, hard-hearted,

exploitation-minded, and malicious than ever before. There is no place where we do not see them battle the existing order; everywhere they are in league with the forces of rebellion. And it is remarkable that this applies even in those countries where they have achieved an amazingly rapid state of material prosperity. Our racial anti-Semitism thus is not the result of religious intolerance. Rather, it is the indisputable evidence of a nation's new strength and self-confidence, the firm display of national feeling. Therefore, let me repeat this, every loyal son of his nation must see in anti-Semitism the greatest national progress...."

### NRP APPOINTS TWO MORE NATIONAL OFFICERS

At the NRP's annual Yule Party on December 19, 1975, in front of a crowd assembled from several states at NRP Head Quarters, NRP Leader James H. Madole officially appointed Warren Bendiner as Secretary of the NRP (a post left vacant by Richard Bayer) and Philippe Szabo as Youth Director for the NRP. Mr. Bendiner is college educated, an excellent organizer and promoter, and eminently qualified to fulfill his duties. Mr. Szabo has previously been connected with French Fascist Movements, is an excellent speaker, and capable organizer. Both Mssrs. Bendiner and Szabo are students of the NRP's occult and metaphysical doctrines dealing with the historical development of the Aryan Race and the Archaic Wisdom inherited by our people from ancient civilizations. They will enter the inner circle of the movement.

## "THE NEW ATLANTIS"

A BLUEPRINT FOR AN ARYAN "GARDEN OF EDEN" IN NORTH AMERICA!  
(PART X)

by James H. Madole

The Aryan "Pyramid Of Power"  
The diagram of organized statecraft inherited  
by our Aryan ancestors from primeval Atlantis!

"The Ancient Wisdom of the Gods is kept in the most sacred guardianship of Great Adepts, of Initiates or Masters of Life. It exists as a coherent body of teaching based on inner and outer Nature's structure and operation ...

"From this Ancient Wisdom or Esoteric Tradition have sprung forth at various times in the history of the world the great world-religions or world-philosophies .... Understanding somewhat at least of this Esoteric Tradition or Ancient Wisdom, the student has thereby the master-key which will unlock those mysterious and tightly closed portals opening into the archaic thought of the human race. Therefore, behind all the various religions and philosophies, there is a secret or esoteric Wisdom, common to all mankind, existent in all ages, and revealed in one form or another as the cycling centuries slowly pass and drop into the ocean of bygone time."

"The Esoteric Tradition", by G. de Purucker

We stressed in Part IX of "The New Atlantis" the pyramidal hierarchy of power which is the living essence of the organizational structure of the Aryan State. As long as our people adhered to this all-embracing power structure Aryan man dominated the earth with his vastly superior science, technology, and occult metaphysics ( the knowledge of how to manipulate the spiritual energies within the Living Universe in order to make things happen in accordance with the concentrated power of the human will ) ! The deadly sociological bacilli of liberal democracy, Christian humanism, racial egalitarianism, and the non-sensical belief in anthropomorphic deities whose petty jealousies, hatreds, and lusts were mirror images of the nomadic Jewish mind and temperament that gave birth to "The Talmud" and "The Holy Bible" were foisted upon Aryan humanity at the point of Roman swords under the accursed Christianized Emperor Constantine. The Aryan "Mystery Schools" and Temples of Initiates of the Ancient Wisdom in Greece and Egypt were stamped out by force and violence or driven underground by the ignorant fanatics of the Christian clergy who joyously buried the light of Truth and Knowledge under the merciless tyranny of the Dark Ages. Priceless manuscripts of the ancient Aryan World were put to the torch in the famed Alexandrian Library and at the Temple of Serapis. Around 1566 Bishop Diego de Landa, after the destruction of the Inca Empire by Spanish gold-seekers and soul-seeking Christian missionaries, burned all the historical records and literature of this highly civilized Indian Empire? Christian arsonists also destroyed the hieroglyphic records found on Easter Island which might have unravelled the historical records of a lost Pacific continent ! Why ! Simply because Christian dogma cannot stand the cold, impartial light of either scientific or metaphysical truth. When the famed astronomer Galileo invented the telescope the Vatican threatened to have molten lead poured into the old man's eyes and mouth if he did not recant and destroy that "instrument of the Devil" ( the telescope ). The "instrument" would have undermined the Ptolemaic Theory sponsored by the Vatican which taught that our little planet Earth was the center of the universe, that the sun revolved about the Earth, and the stars were lanterns hung in the sky by God ( usually pictured as a tyrannical "father-figure" with a long Jewish beard and the white, flowing robe of some Hebrew patriarch ) to light the way of "the Faithful" by night.

Were the sages and scientists of the Aryan Race as mentally retarded as the Dark Ages of European history would indicate or was a mental straitjacket forced upon Romans, Greeks, Teutons, Saxons, Gauls etc. by a power-mad, self-secting Christian clergy whose greatest ally was and is mass ignorance! Let us compare these imbecilic efforts at lucid and rational scientific thought promoted by the Christian clergy during the Dark Ages with Aryan knowledge in Classical Greece long before the alleged birth and miracles of the Christian Messiah (which were never chronicled or reported by any Greek, Roman, or Egyptian historians or philosophers of Christ's day). We quote from "Atlantis: From Legend To Discovery" by Andrew Tomas:

The grim justice of Imperial Rome - death to the Judeo-Christian subverters of Aryan values, the foul criminals whose later victory plunged Aryan Europe into the Dark Ages.

"By what means had the sages of the ancient world known certain scientific facts well ahead of the people of the day? ... Anaximenes, about 2500 years ago, was aware not only of the remoteness of the stars but also of their "non-luminous companions". It is only in the past few years that astronomy has obtained data on planets in other solar systems. Anaxagoras (500-428 B. C.) wrote likewise about "other earths which produce the necessary sustenance for inhabitants". Even a century or two ago this brilliant thought of an ancient Greek would have been frowned upon by the Church and questioned by the academies. Democritus (460-361 B. C.) correctly explained the Milky Way as an immense multitude of

200 years ago. Was it philosophic deduction or hints from the guardians of the Wisdom of the Ages that projected the minds of these Greeks into the distant future? Like a member of a present-day academy of sciences Democritus says: "In reality there is nothing but atoms and space." Democritus was instructed in his youth by the Magi left by Xerxes (The Persian monarch) in Abdera. (Editors Note: In earlier installments of "The New Atlantis" we told our readers how the Brahmins of India, the Magi of Persia and Babylon, and the Druids amongst the Celts were the custodians of the Ancient Wisdom inherited by the Aryans from antediluvian Atlantis) ! According to Seneca, Democritus "knew that there are more planets than we are able to discover with our eyes". Where did Democritus receive astronomical knowledge that was centuries ahead or, perhaps, behind his historical epoch? (Editors Note: Tomas refers here to the handing down of prehistoric Atlantean science by Aryan Secret Societies such as the Brahmins, Magi, Druids, Rosicrucians, Gnostics, and the non-Aryan Sufis of Persia). Democritus postulated that the sun is of immense size, and that the markings on the moon are formed by shadows of high mountains and deep valleys. He held that worlds are constantly born and destroyed in infinite space. The stars are suns, claimed Democritus. Pythagoras (circa 530 B. C.) deduced that the earth is a sphere and Aristarchus of Samos (310-230 B. C.) insisted that it revolves around the sun. Eratosthenes (276-195 B. C.), curator of the Alexandrian Library, calculated the terrestrial circumference with a slight error of 225 miles. Empedocles (494-434 B. C.) argued that light required time to travel. He also had a concept of the mutation of the species. Lucretius (96-55 B. C.) was aware of the uniform speed of falling bodies in a vacuum. In the poem, "On Nature", he draws a picture of the struggle for existence, centuries before Darwin. Pythagoras, long before Newton, knew about the law of the force of attraction."

When Madame Helena P. Blavatsky, probably the most advanced occultist mind ever produced by the Western World, transcribed from Tibetan, Indian, and Mongolian sources the Ancient Wisdom Religion of the Aryan Race and compiled this vast knowledge into her twin monumental tomes entitled "Isis Unveiled" and "The Secret Doctrine" she took as her motto an old Eastern Aryan adage: "There Is No Religion Higher Than Truth" ! Her mission was to spread the light of ancient Aryan Wisdom throughout Europe and North America; to restore their lost heritage to untold millions of Aryan peoples whose minds have been shackled by a false Semitic creed which demands blind faith of its deluded followers rather than KNOWLEDGE AND TRUTH ! Can any reasonable person doubt that the immeasurable storehouse of metaphysical and scientific wisdom accumulated in the proud Aryan societies of Vedic India, Zoroastrian Persia, Pharaonic Egypt, and Classical Greece was largely due to the spirit of open philosophical, metaphysical, and scientific investigation carried on under the benign, and yet totalitarian, governments and rulers of these Aryan empires and nations. Rulers, of enlightened nature, used to vie with each other to obtain great philosophers, occultists, and men of literary renown to grace their courts with the pearls of intellect and wisdom, to set up great schools for educating and training Aryan youth in the Mysteries of the Cosmos, the reincarnation cycle of the soul, healing the human body, the beauty and intricacy of philosophical conceptions etc.. The mighty intellects of Aryan society were not forced

H. P. Elavatsky - the great Russian Occultist who brought the Secret Wisdom of the Aryan Race from Tibet to Europe and North America

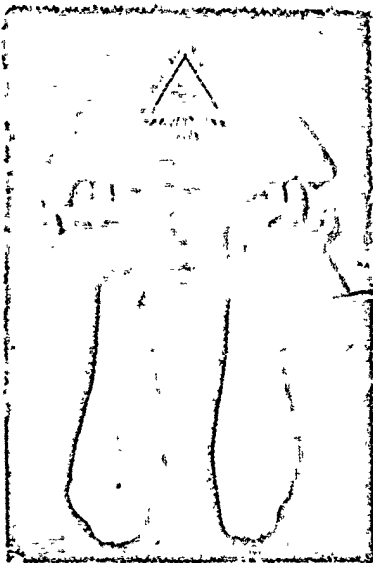

to conform under penalty of fiendish torture or being burned alive as "witches", "heretics", or "idolators" until Judeo-Christianity drained our people of both their manhood as warriors and their ability to reason in the light of logic and truth rather than in the darkness of superstitious fear and blind Christian dogmatism.

Let us now study the Aryan "Pyramid Of Power" - the diagram of organized statecraft inherited by our ancestors from primeval Atlantis which serves as a basic blueprint for the NPD concept of the ideal society and the fulfillment of our

political program. As you will observe we have included both the Aryan Sanskrit and English terms on our pyramid. Our state is totalitarian in its very essence - a government by the Intellectual Elite in which every individual shall be fitted into the pyramidal structure in accordance with his proven aptitudes and capacities. These aptitudes and capacities will be determined through an educational system subsidized by the Racial Nationalist State in which every Aryan child must be enrolled by the age of six. At least 7 years will be spent in teaching our youth how to master reading, writing, mathematics, the rudimentary principles of the sciences, philosophy, the arts, governmental and racial policies, and making value judgements. The purpose of these Youth Academies is to light the flame of knowledge concerning their Aryan racial heritage in the minds of millions of children - the seed bed of the Aryan Future - and to cultivate, nourish, and promote the rare orchid of CREATIVE GENIUS in very special training centers whose Enlightened Intellects will serve as the BRAHMANS or Intellectual Elite (Masters of both the physical and occult sciences, Initiates in the arts of governing the Race, and advisors to the Phrenarch or Absolute Ruler of the Aryan Racial Nationalist State - who will be trained from infancy by the creative genius of the Brahmans for the tasks he is to perform).

The majority of our Aryan youth, after we have determined their aptitudes, capacities, and inclinations during their 7 years period of basic training, initiation, and political and racial indoctrination in the Youth Academies, will enter into either a State Trade Institute, a State Science Institute, or a State Technological Institute. The Racial Nationalist State will subsidize the child's education in full so long as his marks average 85 % because we consider this expenditure as an investment in the future of the Race! Only those Aryans with the ability to make subjects vital, interesting, and to impinge the image of their own knowledge of a subject on the living mind of the pupil would be tolerated as teachers in our educational institutions. The thoughts of "cultural aliens" would never enter our training institutes as non-Aryans would be denied any right to mould any form of public opinion, educational or otherwise. Our 13 year old graduates of the Youth Academies would spend at least 5 years in Trade, Technological, or Science Institutes under the finest of instructors (some falling by the wayside into various forms of manual or office work as a result of failure to keep up their standards of intellectual achievement as reflected in their marks and tests). Others would graduate directly into American laboratories, industrial planning and management, engineering, agriculture, communications, medicine, the arts etc. forming a Brain Bank in North America such as the world has never envisioned in its history - a "New Atlantis" in fact! Looking again at our "Pyramid Of Power" we have the broad base made up of manual and mental workers of perfect Aryan racial stock. Above these are the Vaisyas or industrial planners, organizers, architects, and merchants (those with leadership capacity to organize the labor force in constructive tasks under the command of the Kshatriyas). The Kshatriyas or Intellectual Elite trained in the administration of the Racial Nationalist State is the next step up the "Pyramid Of Power". They are organized by specific professions, arts, and sciences and their task is to organize these fields for the benefit of the Racial State - in short a Council of Administrators to govern the planned activities of both the workers and the industrial management of the nation in accordance with the Grand Design drawn up by the Brahmans and

their Ruler, the Phrenarch (the Philosopher-King envisioned by Plato in his immortal opus "The Republic"). Thus, in ascending the steps of the "Pyramid Of Power", one reaches ever greater degrees of creative intelligence until we reach minds of nearly God-like proportions as contrasted with the petty thieves and shyster lawyers who, today, constitute the presidency and Congress of our "democratic" form of government. Our modern governmental structure resembles our "Pyramid Of Power" standing on its apex instead of its base with the dead weight of a politically ignorant, racially mongrelized MASS pressing the creative elements of the Aryan Race into total oblivion. Looking now at the side wall of the Aryan "Pyramid Of Power" we find the family unit as the building block of the nation which in turn supports and protects the race which in its turn is guided by genius. We find the workers corresponding to the family units, the planners and industrial organizers corresponding to the Nation/State, the Intellectual Elite corresponding to the Race, and the Brahmans corresponding to creative genius. The NRP educational system previously described insures the possibility of an upward mobility within the Aryan "Pyramid Of Power" for all Aryan youth limited solely by their applied Will, Intellect, and Diligence! To clean up the mess left to us by crackpot Christian zealots we must insure that

Dawn  
Society

those suffering from genetic or hereditary malfunctions must be painlessly put to sleep at birth or sterilized by decree of law in order to insure the progressive development of the Race! Marriage will only be permitted among the best physical and mental specimens of the Aryan Race and defective offspring must be phased out by state-sanctioned Euthanasia in order to pave the way for a new and higher species of mankind! The rallying slogan for the NRP state built on our Aryan "Pyramid Of Power" is taken from the great English Rosicrucian Occultist, Sir Edward Bulwer-Lytton, author of "Vril: The Power Of The Coming Race": "NO HAPPINESS WITHOUT ORDER, NO ORDER WITHOUT AUTHORITY, NO AUTHORITY WITHOUT UNITY".

Every major practitioner of occult science has stressed the dire necessity for mankind to live in harmony with Nature as manifested by the Living Universe of which humanity is but a microscopic part. In contrast Semitic beliefs have stressed the absurd argument that man's role is to overcome and enslave Nature. The

pyramidal structure of the Aryan State represents the former view while chaotic-democracy and anarchy reflects the Judeo-Christian rebellion against Nature. We now quote from passages in the various works of the famed British magician and occultist, Aleister Crowley, who held a pro-German attitude in both WW.

"We have nothing with the outcast and the unfit: let them die in their misery ... It is the evolutionary and natural view. Of what use is it to perpetuate the misery of tuberculosis and such diseases, as we do now? Nature's way is to weed out the weak. This is the most merciful way, too. At present all the strong are being damaged, and their progress hindered by the dead weight of the weak limbs and the missing limbs, the diseased limbs and the atrophied limbs. The Christians to the Lions! Our humanitarianism, which is the syphilis of the mind, acts on the basis of the lie that the King must die. (Editors Note: Crowley means the individual's personal fear of death and retribution for alleged misdeeds by "the sinner" which is offset by an understanding of the spiritual evolution of the Soul by means of REINCARNATION). The King is beyond death; it is merely a pool where he dips for refreshment. We must therefore go back to the Spartan ideas of education; and the worst enemies of humanity are those who wish under the pretext of compassion, to continue its ills through the generations. The Christians to the Lions! Let weak and wry productions go back into the melting-pot, as is done with flawed steel castings. Death will purge, reincarnation make whole, these errors and abortions. Nature herself may be trusted to do this, if only we leave her alone. But what of those who, physically fitted to live, are tainted with rottenness of soul, cancerous with the sin-complex? For the third time I answer: the Christians to the Lions!"

"Ye are against the people: O my chosen! The cant of democracy condemned. It is useless to pretend that men are equal; facts are against it. And we are not going to stay, dull and contented as oxen, in the ruck of humanity. By "the people" is meant the canting, whining, servile breed of whipped dogs which refuse to admit its deity. The mob is always afraid for its bread and butter - and now and then the bread has 60 % substitutes of cattle-fodder ... So, being afraid, it dare not strike. And when the trouble begins we aristocrats of Freedom from the castle or the cottage, the tower or the tenement, shall have the slave mob against us. The newspapers will point out to us that "the People" prefer to starve, and thank John D. Rockefeller for the permission to do so".
